UPDATE: 2022 Girls Soccer Tournament

January 6, 2022

Dear Coaches,

Due to the recent outbreak of the COVID-19 virus, and due to the travel restrictions placed on many of the teams scheduled to participate in this year's tournament, we feel it is in our best interest to cancel this year's Girls Soccer Tournament which was scheduled for January 7-8, 2022. Our intention has and will always be to proceed with High School Athletics in a safe and effective manner. The Health and Safety of the student-athletes, coaches, volunteers, and fans continues to be our #1 concern.

On behalf of the Border Olympics organization, I would like to take this opportunity to Thank You and your School Districts for your continued support of Border Olympics and the tournaments we are proud to host every year. We strive to make our events the best that they can be, and we always look forward to hosting your schools here in Laredo.

Please visit our website at borderolympics.org for any future updates on our events. You may also contact us via e-mail at borderolympics@gmail.com if you have any questions. Thank You again for your continued support of Border Olympics. We hope to see you next year.

Sincerely,

Edward L. Ochoa
2019-2022 President
